The Centre College Student-Athlete Diversity Board (CCSADB) is comprised of two to three members from all 23 varsity sports offered at Centre College. The CCSADB launched on late-September, and to date, have successfully completed the following:

1. Created the Board’s mission, vision and goals.
2. Created questions to be added to the student-athlete surveys, related to diversity, inclusion, climate and culture.
3. Added language to the Centre College Athletics and Recreation Mission Statement related to diversity and inclusive environments.

Below you will find the Mission, Vision and Goals of the CCSADB and attached you will find a photo of the most recent goal setting workshop.

**Mission.**
The Student Athletic Diversity Board creates, builds and strengthens community, by advocating for diversity and inclusion and promoting a safe environment that encourages diversity within our intercollegiate athletic programs. Continuous efforts are made to enrich the diversity of the community and create a welcoming environment for people of all backgrounds, ultimately impacting the larger Centre Community.

**Vision.**
As student-athletes we strive to promote diversity and inclusion through intentional dialogue.

**2018-19 Goals.**
1. Host forums that allow athletes to share their experiences.
2. Create officer structure to speed up implementation of ideas.
3. Establish relationships with Athletic Department and Coaches to better reach teams and administrators with our ideas.
4. Partner with SAAC to create a service day for student-athletes that puts them in a situation they might not otherwise be familiar with.
5. Bringing in speakers to talk about problems that arise in teams such as LGBTQ, Gender, and Race/Ethnicity for the athletics department.
6. Build the IM program and pull more people to participate to promote diversity and growth non-athletes.
